

Habitat for Humanity of San Joaquin County, Inc. is about people, helping people. We are doing positive things and you can be a part of our team. Join our "I helped build it!" campaign.

Have you ever.....

- Wanted to make a difference in the community?
- Wanted to be a part of something that could positively impact the life of another person?
- Had a desire to reach out but just didn't know how?
- Invested in your community?
- Helped make dreams come true?

Habitat invites people of all backgrounds, races and religions to build houses together in partnership with families in need.

Habitat has built more than 300,000 houses around the world, providing more than 1.5 million people in more than 3,000 communities with safe, decent, affordable shelter.

There is a mission project happening right now in your area. Habitat for Humanity of San Joaquin County has recently purchased 19 lots in Stockton and plans are underway to break ground this summer on the first phase of homes within this new community of hope. But we need you to help make this dream a reality.

Through volunteer labor and donations of money and materials, Habitat for Humanity of San Joaquin County builds and rehabilitates simple, decent houses. We want you to help us carry out this effort on the local level. Come be a part of our team and together, we can make a positive difference in San Joaquin County!

Yes! I want to make a gift of:

\$50 \$250 \$500 \$1,000 \$3,000 Other _____

Building Material Donations : _____

Please make your check or money order payable to: HFH San Joaquin County and mail it to: P.O. Box 7429, Stockton, CA 95269.
