Deconstruction Team – Call **(209) 271-1025** or **(209) 595-3247** for information

Salvage items – All items should be in good working condition. Items with broken glass cannot be resold in the ReStore. The following is a partial list of the types of items we will salvage. Items not appearing on the list will be reviewed for consideration. Please review any special items with the Deconstruction Team.

1. Kitchen

Appliances, kitchen cabinets, granite/corion countertops, sinks, faucets and lighting fixtures (Note: Appliances need to be in good working condition and preferably less than 8 years old. Higher end appliances may be older.)

2. Bathroom

Vanities, lighting fixtures, faucets, shower doors, low flush toilets, towel bars, paper holders, mirrors

3. Doors

Exterior and interior doors, including front doors, French Doors, sliding glass doors, paneled doors, mirrored closet doors

4. Garage

Garage cabinets, standard sectional garage doors and garage door openers

5. Lighting

Exterior and interior lighting fixtures, including lamps, ceiling/wall fixtures, chandeliers, ceiling fans, vanity lights

6. Molding

Wood molding, including door casing, crown molding and baseboard

7. Windows

Dual pane and energy efficient windows. Windows that are not dual pane will be evaluated on a case by case basis.
